

February 11th, 2015

Dear Students, Parents/Guardians,

It's an exciting time of year for South Park's intermediate year-end theatre production of the Wizard of Oz. Your child has been chosen for a speaking role in our show. Members of the cast will be expected to attend all practices. There may be times where not all cast members are needed, though they should always be available.

Rehearsals will generally be Mondays and Wednesdays at lunch and Tuesdays after school. There are also some occasional practices Fridays after school. The rehearsal dates have been listed on the other side of this letter so you can plan your schedule well in advance. Please keep this list handy. A copy will also be available on the school website. Cast members are also asked to write the dates in their agendas. There will be reminder announcements at school to help students remember to attend rehearsals. It may look like a lot of rehearsals now, but it takes a lot of preparation to put on a play. The performances will be the 25th and 26th of May. (Daytime, 1:45 on Monday 25th and Tuesday 26th, as well as evening, 6:30 on the 26th.)

Cast members with speaking roles are required to memorize their lines and have all have been given a copy of the script. They are encouraged to start working on memorizing their lines now, so that they know them very well by Spring Break.

For our production, we will need help from parent volunteers who would be willing to perform tasks such as supervising rehearsals, working on the set, organizing props and costumes, doing hair and makeup for the final performances, etc.... We are appreciative of any assistance parents can provide. Although some jobs might require parents to be available during the day, others do not. We can be flexible to accommodate your schedule. If any of you would be able and willing to help with our play that would be wonderful, please fill in the bottom portion of this form and return it to the school.

Thank you for your interest in the play this year.

Sincerely,

Sophie Collis, Grade 7 Student Director
